V. Notices:

- [1] The default logon ID and password are the same as those for ISU Webmail System as set by the University. Please change the password on first login to avoid any unauthorized use. It is strongly recommended not to authorize another person to register on your behalf. Instead, you should register courses online in person. Please do not disclose your logon ID and password to

anyone else. The University will not be held liable for any problem or confusion caused by your disclosing your logon ID and password or allowing them to be disclosed.

- [2] To ensure that you can complete course registration by the deadlines specified above, please check whether your password is correct in advance. If you forgot the password, please go to the Office of Library and Information Services for help.
- [3] Please take required and elective courses according to the curriculum mapping and requirements set out by respective departments. Please go to the website of your department for more details. Please go to the website of the Center for General Education for more details on the requirements for taking general education courses.
- [4] The system automatically adds required courses to the individual class schedule. Please do not make any change to required courses for fear of not taking required courses.
- [5] A course code is composed of **8** digits. Please log in to ISU Information System to check course codes. Please go to ISU Information System, or visit the website of the Curriculum Section
(http://www.isu.edu.tw/interface/showdoc.php?dept_id=9&levelid=10655&dept_mno=031) for detailed course registration procedures.(Browser: Microsoft Internet Explorer)

VI. Log in to ISU Information System:

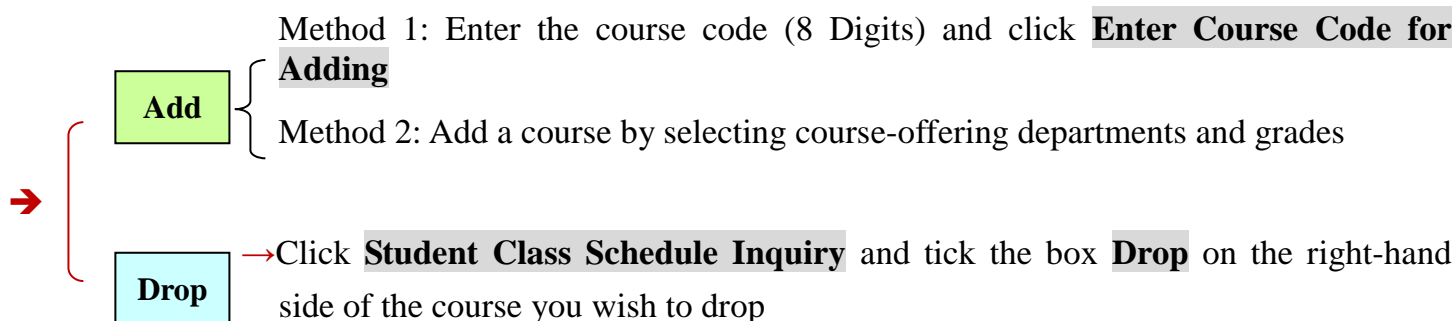

Visit the University's English website (<http://www2.isu.edu.tw/en1/index.htm>) → Click **Information System** → Click **Information System** again → Click **Curriculum--Course ADD/Drop and Withdrawal** → Click **Student Course Registration**
