### **Notes:**

- 1. If the application of degree examination has been made but the exam does not able to take place, the degree candidate should cancel the examination by formal application before the deadline (first semester: Jan. 31; second semester: July 31). Those who do not make proper application according to the above rules will be considered as failure in the degree examination for the first time.**
- 2. Students who fail the examination can apply for a make-up exam; the make-up exam is supposed to be held just once; if the candidate still fails, the student will be forced to withdraw study as regulated in Item 3, Paragraph 1, Article 49 of the School Regulations.**
